Gmail

Gmail, früher zeit- und gebietsweise auch Google Mail, ist ein kostenloser, werbefinanzierter E-Mail-Dienst des US-amerikanischen Unternehmens Google. Neben dem Webmail-Zugang ist der Abruf der E-Mails auch über die offizielle Gmail-App und E-Mail-Programme von Drittanbietern über POP3 und IMAP4 möglich. Wikipedia

Google

Choose personalisation settings

○ **Express personalisation (1 step)**
Use personalisation settings that deliver tailored content and ads. We'll remind you in a couple of weeks to review your settings.

○ **Manual personalisation (5 steps)**
Configure your personalisation settings step by step. You decide which settings are on or off to get the content and ad experience that you want.

You can change your settings anytime at account.google.com

You're in control of the data we collect and how it's used

Next 9

We rely on cookies and device IDs to remember your settings and other preferences across your signed-in devices. We also use cookies, IDs and data to:

- deliver and maintain services, such as tracking outages and protecting against spam, fraud and abuse

- measure audience engagement and site statistics to understand how our services are used

If you agree, we'll also use cookies, IDs and data to:

- improve the quality of our services and develop new ones

- deliver and measure the effectiveness of ads

- show personalised content, depending on your settings

- show personalised or generic ads, depending on your settings, on Google and across the web

For non-personalised content and ads, what you see may be influenced by things like the content that you're currently viewing and your location (ad serving is based on general location). Personalised content and ads can be based on those things and your activity like Google searches and videos that you watch on YouTube. Personalised content and ads include things like more relevant results and recommendations, a customised YouTube homepage, and ads that are tailored to your interests.

You can change your browser settings to reject some or all cookies.

Privacy reminder
We'll send you a reminder to review these settings in a couple of weeks

https://accounts.google.com/signup/v2/webtermsofservice?biz=false&cc=DE&continue=https%3A%2F%2Faccounts.google.com%2F&dsh=S51280008%3A1683543712944274&flowEntry=SignUp&flowName=GlifWebSignIn&foll

things like:

- Providing, maintaining and improving our services to meet the needs of our users

- Developing new products and features that are useful for our users

- Understanding how people use our services to ensure and improve the performance of our services

- Customising our services to provide you with a better user experience (and, if relevant, adapting the experience to be age-appropriate)

- Marketing to inform users about our services

- Providing advertising, which allows us to offer many of our services at no cost (and when ads are personalised, we ask for your consent)

- Detecting, preventing or otherwise addressing fraud, abuse, security or technical issues with our services

- Protecting against harm to the rights, property or safety of Google, our users or the public as required or permitted by law, including disclosing information to government authorities

- Performing research that improves our services for our users and benefits the public

- Fulfilling obligations to our partners, like developers and rights holders

- Enforcing legal claims, including investigation of potential violations of applicable Terms of Service

You can visit your Google Account (account.google.com) to take a Privacy Checkup or to adjust your privacy controls.

Allow smart features in Gmail, Chat and Meet to use your data

Get the most out of Gmail, Chat and Meet with smart features and personalisation based on your content and how you use these products.

◉ **Continue with smart features**

Gmail will continue to offer you:

- Automatic email filtering/categorisation (Primary/Social/Promotions)
- Smart Search (keyword suggestions, relevant results and more)
- Smart Compose (suggested text) in email
- Smart Reply (suggested quick replies) in email
- Summary cards above emails (travel, package tracking and more)
- Extracting event details to create calendar entries

13

○ **Turn off smart features**

This will **disable or degrade the performance of the features above and more**. You can turn this back on in Gmail settings. Learn more

Google Account

← 2-Step Verification

Protect your account with 2-Step Verification

Prevent hackers from accessing your account with an additional layer of security. When you sign in, 2-Step Verification helps make sure that your personal information stays private, safe and secure.
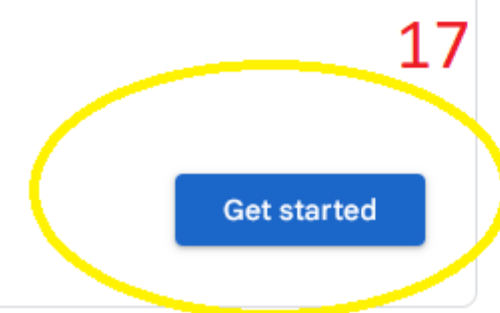

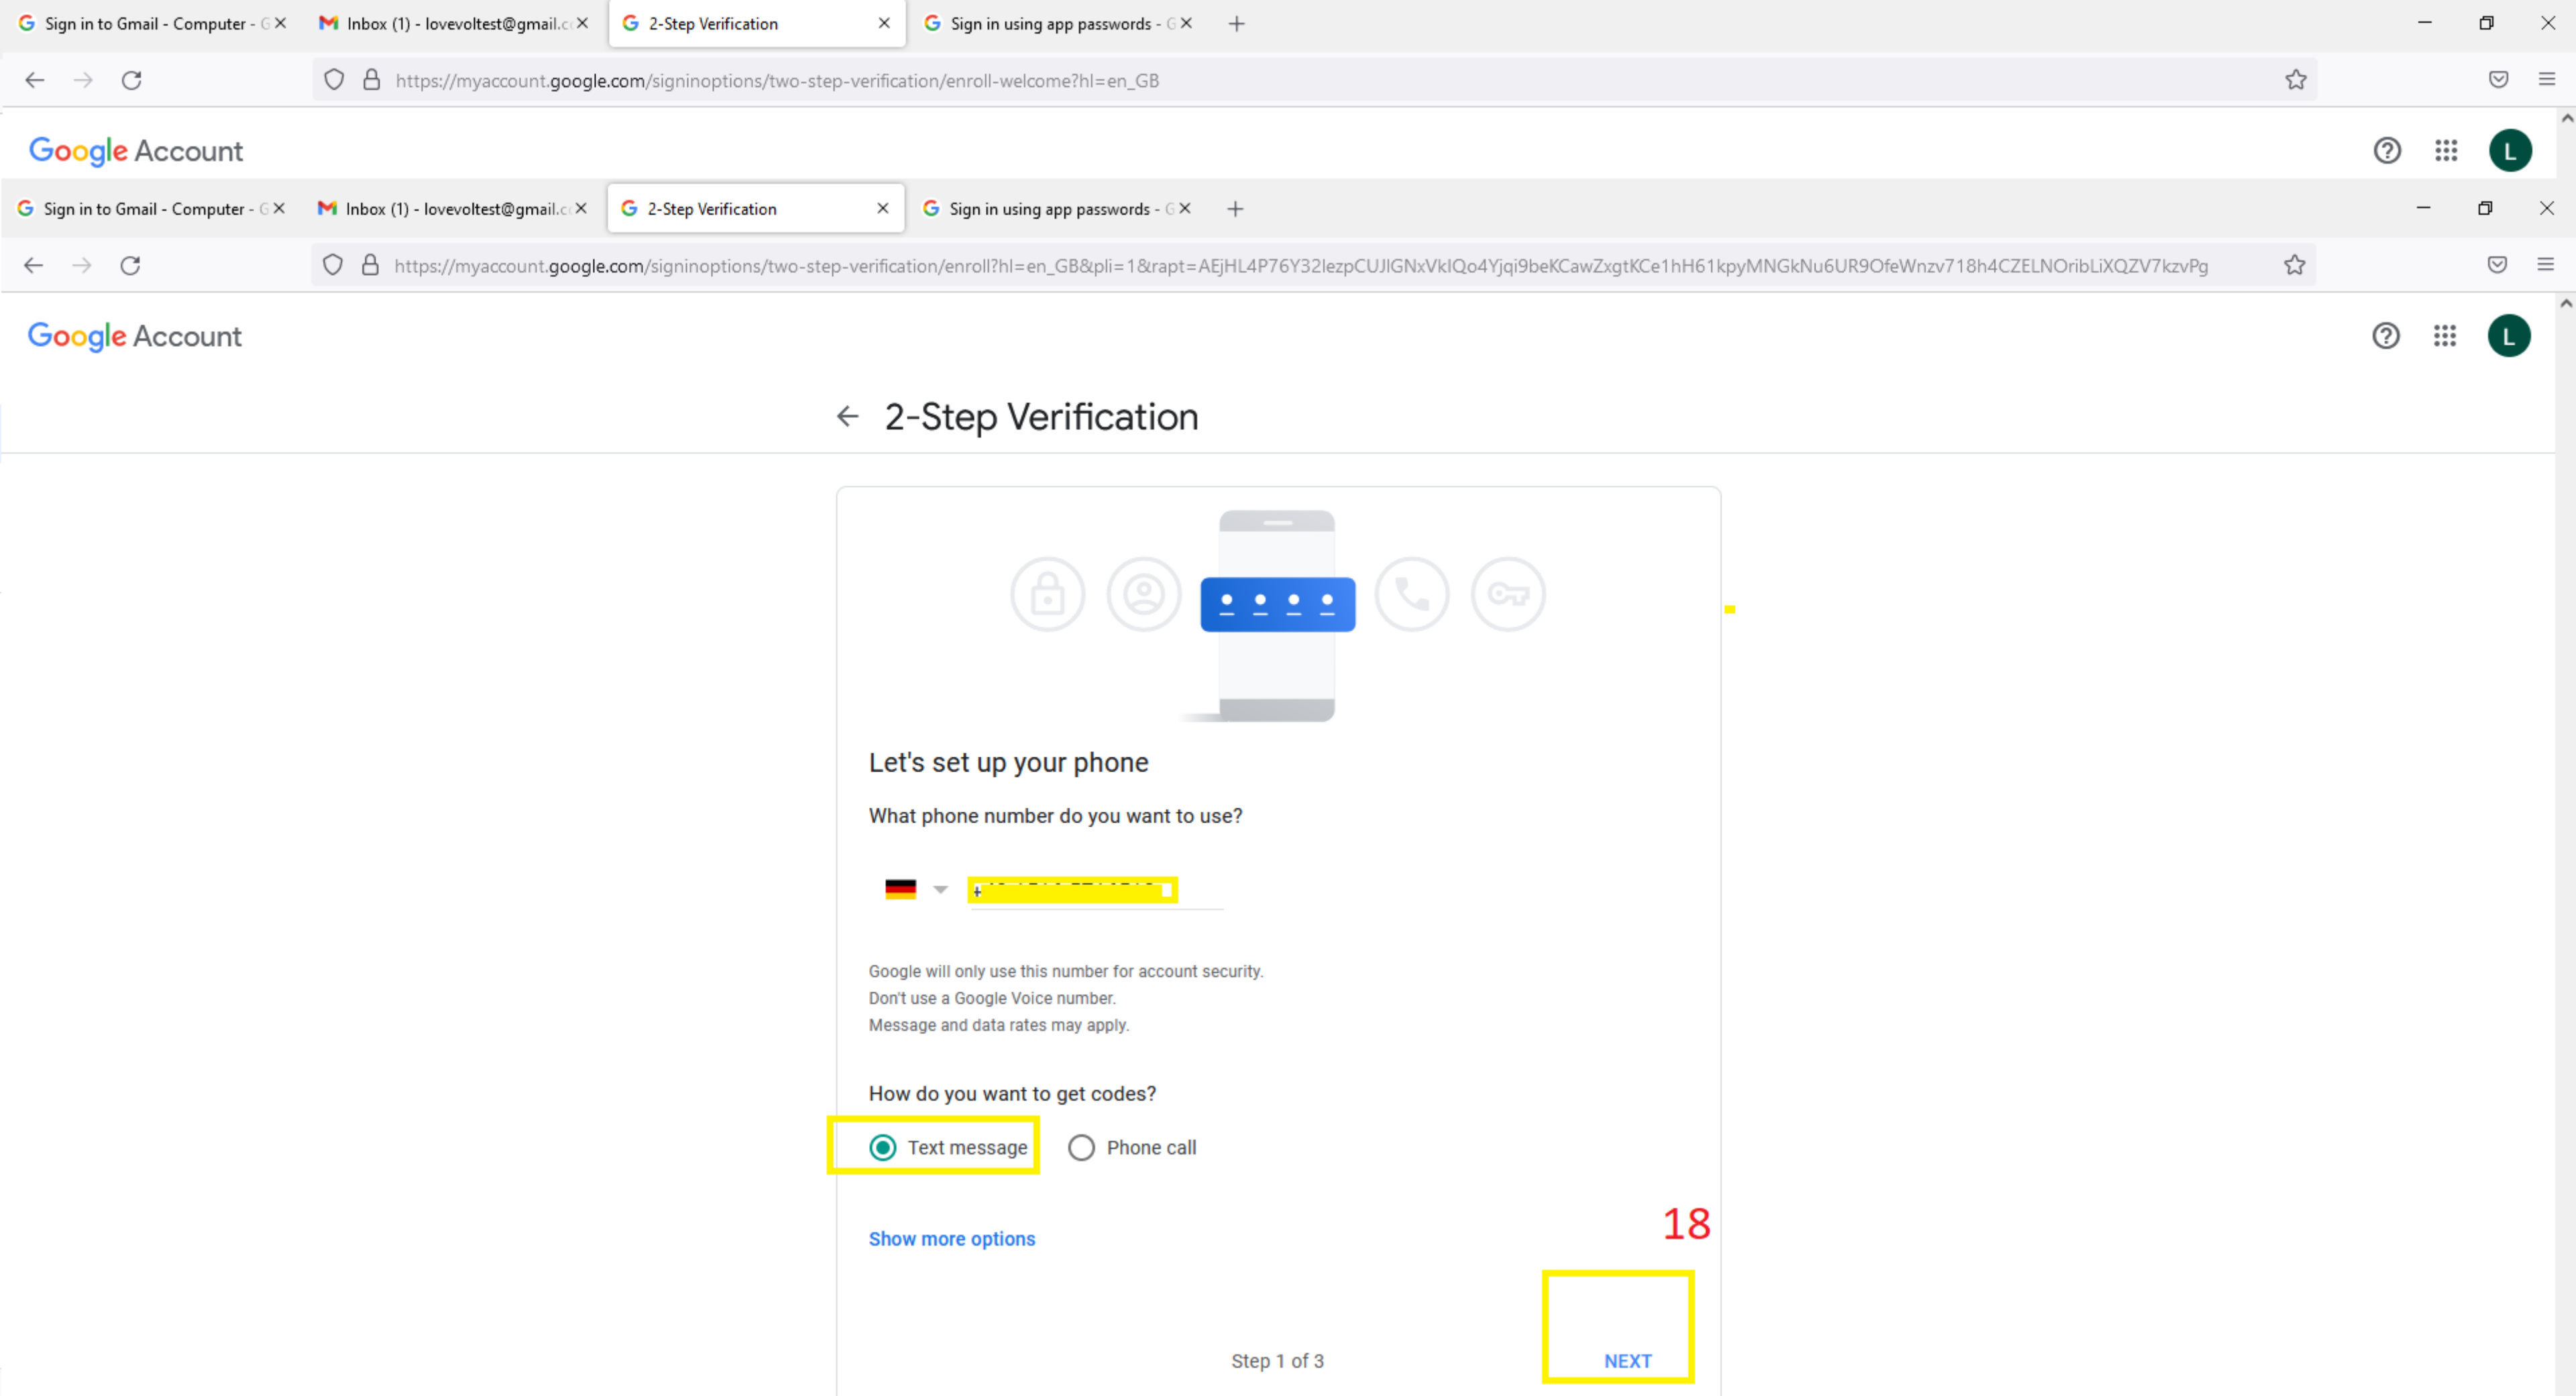

Security made easy

In addition to your password, 2-Step Verification adds a quick, second step to verify that it's you.
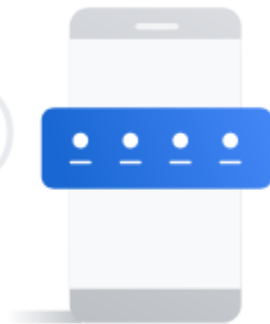

Use 2-Step Verification for all your online accounts

2-Step Verification is a proven way to prevent widespread cyber-attacks. Turn it on wherever it's offered to protect all your online accounts.

Your app password for Windows Computer

ekhr ydom lqck jhee

How to use it

Add your Google account

Enter the information below to connect to your Google account.

Email address
securesally@gmail.com

Password
••••••••

☐ Include your Google contacts and calendars

1. Open the "Mail" app.
2. Open the "Settings" menu.
3. Select "Accounts" and then select your Google Account.
4. Replace your password with the 16-character password shown above.

Just like your normal password, this app password grants complete access to your Google Account. You won't need to remember it, so don't write it down or share it with anyone.
